Your Assessment Test for Software Engineer Role at Mphasis– Details Inside! ^{Inbox}

Dear Richa Mishra,

Thank you for applying to the **Software Engineer** position at **Mphasis** through the following link: [Apply Link](#). We're thrilled to invite you to the **assessment test** as

Assessment Test Details

Date: 8 November 2024

Time: 10:00 AM to 4:00 PM (IST)

Location: Remote

Link: [Assessment Test](#)

This assessment will evaluate your technical skills and problem-solving abilities, focusing on your experience with **React, Redux, Node.js, Bootstrap**, and other te

What to Expect:

- Hands-on coding challenge testing your expertise in **React, JavaScript, and Wynsure Product**
- Debugging and automation tasks
- Application design and architecture knowledge assessment

Instructions: Make sure to have a **stable internet connection** and be in a quiet space to complete the test.

- The test is time-bound, so manage your time wisely.
- Please have **Git** and **React** tools ready, as they will be necessary during the test.
- If you encounter any issues during the test, feel free to reach out at [support email/contact].

After completing this round, qualified candidates will proceed to a **technical interview** for further evaluation. Please keep an eye on your inbox for further detail

Best of luck, and we look forward to seeing your talent in action! 🍀

Warm regards,
The Mphasis Team
